5600 Air-Dry Clear - ACCELERO

Product Description

Accelero 5600 is a conventional scratch resistant Air-Dry Clearcoat with premium finishing properties. It is recommended for high performance bodyshops focusing on efficiency, space utilization and cost reduction with no compromise on premium quality. It can be simply flattened and polished after 1 hour at application temperature. It uses the same HS hardener family (H500, H600,H700) as other premium clearcoats in the GENERAL range, providing a complete and compact offer

Suitable Substrates

- "General" GenRock Basecoat.
- "General" Gen2 O Basecoat.

Product Application
